So good you forget it's there

Finishing touch Blending in Complementary

You can combine Addit products with any of our other collections to make a good workplace work even better. They tidy away any clutter and let you tailor your workstation to your needs - so you can focus on your job. Simple yet effective solutions designed to complement our entire product portfolio and blend in perfectly with any working environment. Products so good you forget they're there.

44.900
Addit monitor riser 900

- Fixed height 100 mm
- Max. weight capacity 30 kg

Monitor risers

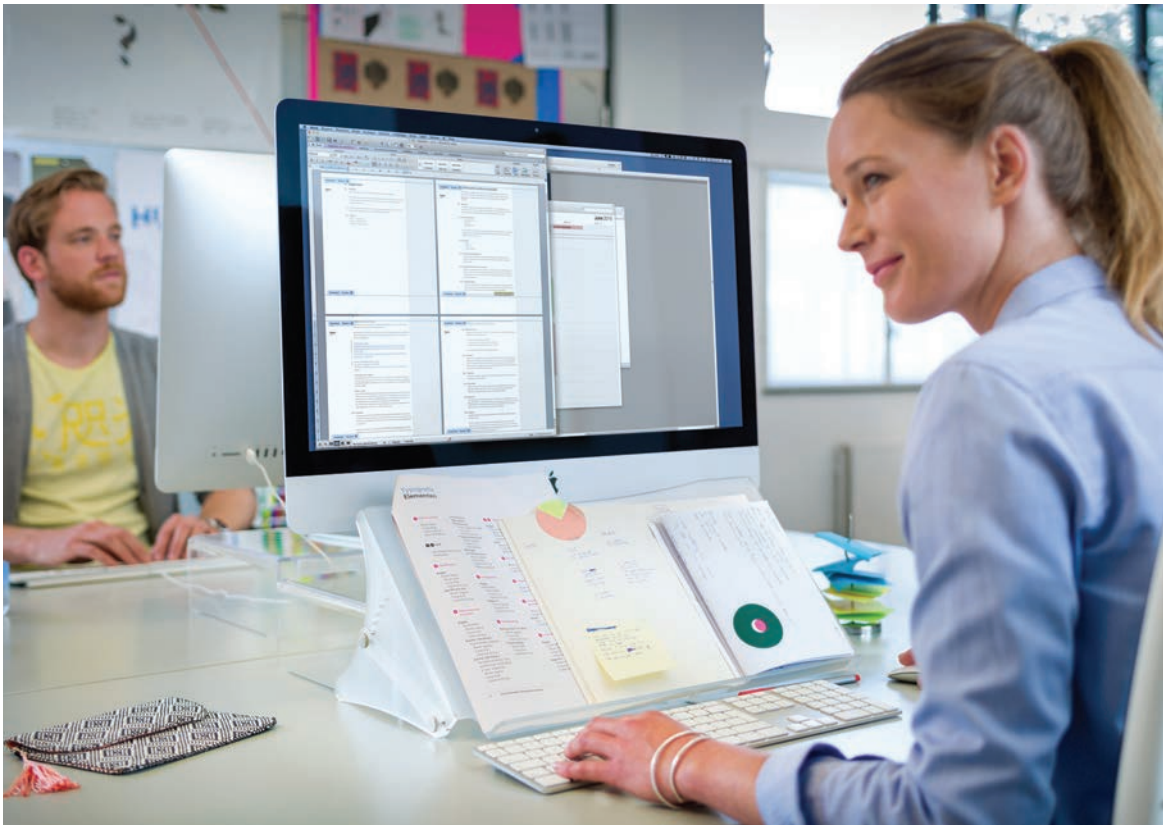
Addit monitor risers lift your monitor to the appropriate eye level. We've also pioneered the use of acrylic, which isn't only strong. Being transparent, it's also aesthetically appealing and appears to take up less desk space. The Addit collection offers you a wide range of risers, each with its own capabilities and applications. Because we realise that your combination of desk, chair, computer and monitor is unique.

49.450
Addit notebook riser - adjustable 450

- Height adjustment range 134 - 204 mm
- Max. notebook width 390 mm

Notebook risers

By raising your notebook to eye level, Addit notebook risers facilitate a far better working posture. You can sit more comfortably and don't have to bend forward awkwardly while reading or typing. Easing the tensions on neck, shoulders, arms and wrists. This makes working with your notebook more pleasant, and aids the prevention of RSI and CANS.



Document holders

49.401
Addit ErgoDoc® document holder - adjustable 401

- Suitable for both A4 and A3 documents
- 6 height and angle settings
- Lifts over keyboard

Addit document holders aren't just convenient. They help you maintain a good posture, which can have major ergonomic benefits too. You can sit comfortably as you read or type without having to tilt your head or lean awkwardly. This eases the tensions on neck, shoulders, arms and wrists, which makes working with documents or notebooks more pleasant and reduces the chance of RSI or CANS.

96.513
Addit footrest - adjustable 513

- Height adjustment range 79 - 111 mm
- 4 height and angle settings
- Non-slip surface provides grip

Posture supports

Obviously a fast computer, good desk and comfortable chair are important. But to turn an OK workplace into your ideal working environment, you need to get the details right. Addit posture support accessories are particularly beneficial to you if you spend hours behind your desk. By helping relieve back, shoulder, wrist and other musculoskeletal complaints, so you're less fatigued and more productive all day.

52.582
Addit beamer mount 582

- Rotates, tilts and swivels
- Height adjustment range of 674 mm
- Max. weight capacity 15 kg

AV solutions

Few modern offices can do without TVs or beamers. But they occupy a lot of space and are highly vulnerable to theft. Addit AV solutions will often support your equipment out of sight, and let you secure it with ceiling or wall mounts. This enhances the adjustability of your equipment and reduces the chances of theft.

33.761
Addit cable eater ø25 mm/20 m 761

- Bundles and protects cables
- Quick and easy, hand tool not included
- Suitable for 6 cables of 7 mm thickness

Cable management

Loose cables. They're ugly, distracting and dangerous. Whether running beside your desk or hanging under it, they give a messy impression and are often just an accident waiting to happen. But our cable management solutions don't just make your office look smart. Your workspace also becomes easier to clean and your IT systems easier to manage.
